IN HIS WORDS

Before NEDOIR was a brand, it was a promise to the people around me.

Jackets designed for a more casual, chic life.

Jackets that truly fit, with the athletic silhouette of my Bellucci Napoli bespoke line.

Without the bespoke price, and without the many fittings of traditional tailoring.

NEDOIR is my way of keeping that promise.

— NEDO BELLUCCI

THE HOUSE

NEDOIR makes jackets, bombers, blousons, vests and coats to order, in 29 precise sizes built around one signature athletic silhouette. Each piece is numbered, dated and personalized with the client's name, and made only after it is chosen.
